UBIQUITOUS UPDATES

FireLake in downtown Minneapolis now features some hot happy hour specials. Some of the tasty menu includes walleye, scallion and wild rice cakes with a lemon-tarragon remoulade; alder-smoked salmon with orange and black pepper aioli and crisp ciabatta bruschetta; oven-roasted littleneck clams with bruschetta and garlic-herb broth; and their specialty of Leinenkugel Beer-battered rock shrimp with a sherry-scallion sauce. So good and so cheap you can order all of them.
